Inspiration from Pastor Heath Butler:

Proverbs 16:32 *Better a patient man than a warrior, a man who controls his temper than one who takes a city.*

PRAYER: Dear Lord, forgive me for the times when I grow impatient and even become angry as I wait for you to carry out your plans for my life. Often times this results in my impatience with others. Well, your patience with me is incredible as you continue to forgive me every day...specific sins which I repeat every day! How often don't you simply wait for me with open arms, waiting for me to come around, eager to comfort me and encourage me. Lead me to place my wants and needs in your hands, reminding me that you will take care of them. Give me patience to treat people the same way you treat me. I ask these things in the name of Jesus Christ, my Savior from sin. Amen.
